MELISSA ENDERLE - Letter of Recommendation

I have known Melissa Enderle for two years and have had the great fortune to work with her as Elementary Principal at Seoul Foreign School (SFS). SFS, located in Seoul, South Korea is a Pre-Kindergarten through Grade 12 school with 1400 plus students representing over 50 nationalities. We are accredited by the Western Association of Schools and Colleges (WASC).

It is with pleasure that I offer this letter of recommendation for Melissa. Melissa has been a successful Art teacher at Seoul Foreign School for four years, two of these years where with the previous Elementary School principal. She is an intelligent, capable and dedicated professional and we have been fortunate to have her as part of our faculty.

Melissa has taught Art to over 400 students. She taught Pre-Kindergarten 3 (three year olds) to Grade 5 Art. In the classroom, Melissa is always organized, planned and there is pleasant and purposeful atmosphere. She creates a disciplined but warm classroom environment where children perform to their best, are challenged and motivated. Melissa successfully displayed student artwork, which was always of an excellent standard around the school and ensured this was changed on a regular basis. She is well liked and respected by her students, their parents, colleagues, and the administration. Melissa is always thoughtful and conscientious in her work and her commitment to the students.

Melissa spent countless hours completing the Elementary School Yearbook for the last four years. Her yearbooks are incredible and always seem to occur seamlessly due to master organization and structure she puts into place. Melissa has also shared student art with parents and the wider community. She has successfully used Artsonia to load thousands of pieces of student work and enabled students to comment on one another's work. Artsonia has also proved to be an excellent tool to share art with people all over the world. Melissa has also shared student art work, which is always of a very high standard at concerts and Elementary School performances.

I recommend Melissa as an asset to any school. Please do not hesitate to contact me if you require any further information.

Yours Sincerely,

Damian Prest M.B.A.

Elementary Principal
Seoul Foreign School
